YOUR SEASON

How your season is building

Every match so far this season, one line per metric. Pick a metric to see where this match sits.

This was your **8th best intensity** from 17 matches. It has dipped a little over your last four matches.

SPEED

Reaching top speed

Hitting 90% or more of your max speed keeps you quick and protects your hamstrings. A filled circle means you got there in that match.

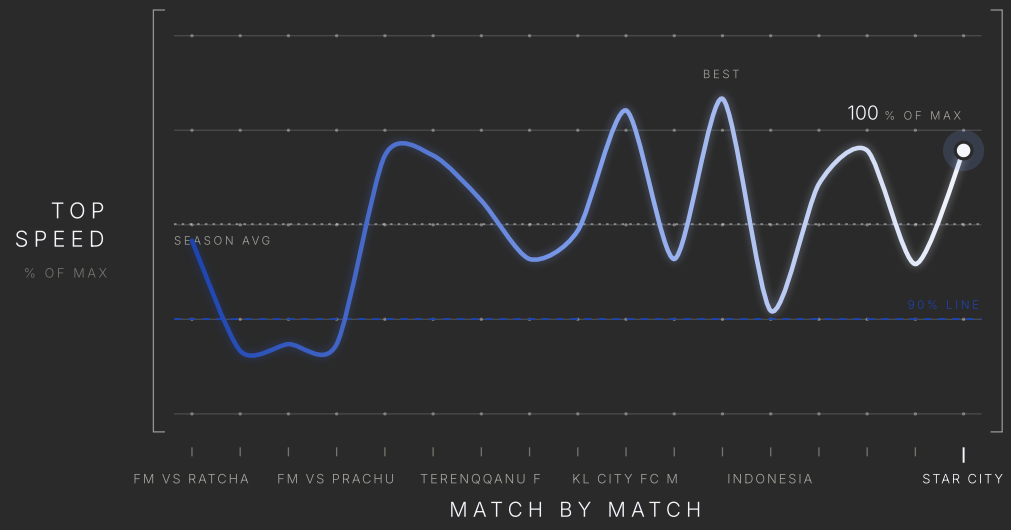

MATCHES AT 90%+

14 / 17

FASTEST · 30.1 KM/H

Match 1 to 17. The ringed circle is this match.

You reached 90%+ in 3 of your last 3 matches. Aim to touch it at least once every week, in a match or in training.
